The Analogy of the Box:

19TH Century

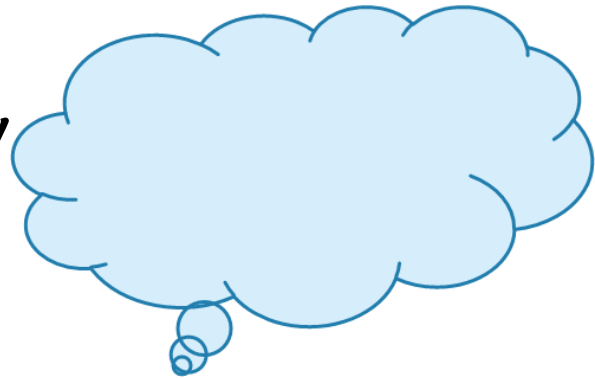

20th Century

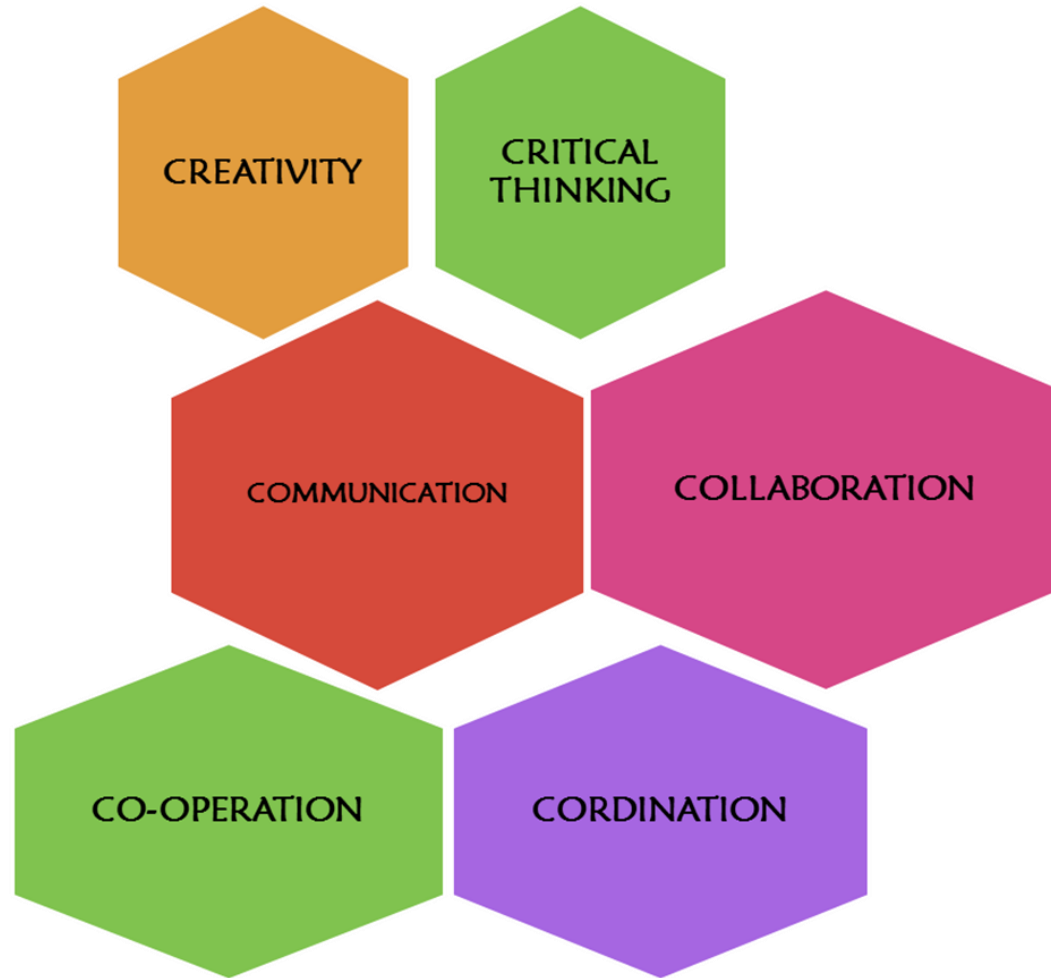

Thinking outside the Box

21st Century

Thinking without the Box

The Six Critical (C's) skills of the 21st Century:

“This 21st Century will only be enjoyed by people with Capacity to learn, re-learn and unlearn.”

Real Life

- ▶ Relationship with God and successful people
- ▶ Always be relevant, objective and useful (“Ogasa”?)
- ▶ Have big ideas but start small
- ▶ If you don’t start, you will never start

Maintain Good Health

- ▶ Healthy feeding
- ▶ Healthy lifestyle
- ▶ Self control
- ▶ Start preparing for retirement the day you start working

Work towards a Legacy

Be responsible for:

- ▶ Yourself
- ▶ Your actions
- ▶ Those under you
- ▶ Avoid pointing fingers

Be Positive to the world:

- ▶ Participate in Civil Societies:
 - Religious Organisations
 - “Bulungibwansi”
 - Rotary Clubs, etc...
- ▶ “Remember the Past with gratitude, live the present positively and focus into the future with hope and enthusiasm.”

Learn to Learn:

- ▶ The UNO outlines 4 major reasons for learning:
 - Learning to DO
 - Learning to KNOW
 - Learning to BE and
 - Learning to LIVE TOGETHER WITH OTHERS

*“Our children, our future, and our future,
our children.”*
